KEENAN HOUSE—2010

KEENAN HOUSE Leaders are featured here at their second meeting of the
year last week, where they were introduced to their new
House mascot.
Mr Fox, Head of House and Jade Crabb—House Prefect tells us: “His name
not surprisingly is “Keenan” after the House Patron
Br Anthony Keenan. He was
chosen from a shortlist of candidates as having the
right credentials for the job –
he is a true blue Aussie and is guaranteed to get the “jump” on his rivals. The Leadership team led by
House Prefect Jade Crabbe(12 Keenan 1) are determined to return Keenan House to its rightful place –
Number 1 at Chisholm.
Keenan is off to a great start with victory in the overall standings of the Swimming Carnival. Well done to
all the Keenan swimmers who participated. Next on the agenda is the cross country competition. Get your
running shoes on “blue machine”!
Planning is also well under way for the Life Link day competition on June 25. Some surprises are in store
for the rival Houses – Keenan are coming…..!!”

WE ENCOURAGE OUR STUDENTS TO CONTINUE TO ENJOY HEALTHY RIVALRY
BETWEEN THE HOUSES. This spurs you on to aim high in all aspects of your school life.

YEAR 8 PASTORAL CARE RETREAT

“On St Patrick’s Day, Wednesday 17 March, the Year 8 students had their retreat. The theme of the day was ‘UNITY’ with Christ, Chisholm College and the Church. The day began with all of us gathering in the Chapel to celebrate Mass. We were then introduced to the Youth Impact Team who facilitated the day. We played many different fun games and we learnt how to cooperate and work together. We also watched some videos that were related to the theme and we had time for discussions. We thoroughly enjoyed the day. It was a great experience, a good opportunity to reflect and we learnt a lot.”

Mrs Katherine (Katie) Kumasaka joined the Society & Environment department at Chisholm this year. She has been teaching for the past few years at Santa Maria College. Katie completed a Bachelor of Arts degree at Curtin University followed by a Graduate Diploma in Education at Edith Cowan University. After her studies she travelled to various parts of the world, including Thailand, where she taught in a Bilingual school in Bangkok and Japan, in an international school. Katie enjoys learning languages and can speak German and Japanese. She recently got married to her Japanese husband last year. Katie enjoys travelling – and has been to Thailand, Vietnam, Laos, Cambodia, Malaysia (mostly Asian countries).. and now wants to go to South America and Egypt. She enjoys tennis and dancing, and takes every opportunity she can get to go skiing. Anywhere she can!! She has been skiing all over Japan and the last few years in Perisher, NSW and hopefully this year she will travel and ski in New Zealand.

A highlight of her career was working with the Australian Defence Forces at the Sydney Olympics in 2000. Katie, we welcome you to the Chisholm College community.

STUDENT SAFETY—There have been instances of parents who have allowed students to exit cars on Beaufort Street, in moving traffic. This is a very dangerous practice, is not permitted and is also illegal. Students are to be dropped off in the respective Year level drop off areas or the school bus bay on Beaufort street, outside the college. Mr Rob Marshall, Vice Principal

“Love is in the air…” - The School Production is progressing swimmingly (even though Perth seems to be gripped by no rain whatsoever) and the cast of Singin’ in the Rain are singing up a storm.

Although, a little birdie told me that Perth is not the only place looking for clouds - Amanda Washbourne and Peter Kijjak are working on launching their performances to cloud nine in their roles as Kathy and Don the starry eyed lovers. Mr Sanusi has considered sending the duo off on a romance training day. Can’t wait to hear the update on that field trip!

Having seen many of the awesome productions, I cannot wait to see Mr Sanusi and Major Milne’s latest extravaganza. Both directors (Acting and Musical) have an extraordinary ability to draw the best performances out of his actors which keep their audiences in awe of the extraordinary quality of the shows each year. As a result they always win awards in the prestigious Catholic Performing Arts’ Festival.

Keep going guys; we patiently await your talents. Bring on the rain….I’m singing in the rain; just sssssssiiiiiiiinging in the raiiiiin!

Year 7 Mandarin Classes
Making Chinese Dumplings
饺子 We have learnt the dumpling is called 饺子 and making dumpling is 包饺子。饺子 a very popular dish in China. It consists of ground meat and/or vegetable filling wrapped into a thinly rolled piece of dough, which is then sealed by pressing the edges together. 饺子 should never be confused with a wonton.

饺子 have thicker, chewier skin, double-saucer like shape (similar in shape to ravioli), and are usually eaten with soy-vinegar dipping sauce.
