LITURGICAL INFORMATION
Members of the College community are warmly invited to attend the weekly liturgical services in our Chapel.
Monday 19th April
8.30am
Mass—Year 8
Thursday 22nd April
1pm
Quiet Prayer

From the Principal
Thursday 1st April 2010 (T1-W9)

EASTER
is about celebrating the power and glory of the resurrection of Jesus Christ. It is the most significant and important time in our religious calendar. Enjoy all your festivities but don’t forget the sacredness of Easter time. Have a happy and holy Easter, a wonderful break and keep safe.

Term 1 Interim Reports are being posted home. Included in this package is a copy of the latest COLLEGE STRATEGIC PLAN that will guide us in the lead up to our Silver Jubilee in 2014. Thank you to all who contributed to this important document.

FIRST DAY TERM 2—Students and staff commence on Monday 19th April 2010.
I look forward to seeing you all after a well earned and a relaxing break.

WINTER UNIFORM—Don’t forget to check the length of Winter skirts. Full details of uniform and grooming requirements can be found in the 2010 Parent Handbook, pages 36-39. I ask for your support in this matter as I really do not want to send anyone home on Day 1. Just to remind you, the UNIFORM SHOP will be open during the holidays on Saturday 17th April from 8am—11am.

TUESDAY 27TH APRIL 2010 is a STUDENT FREE DAY—as our staff will be at a Professional Development Day.

STUDENT/PARENT/TEACHER interviews will be held on Wednesday 28th April for Years 7—9 and on Monday 3rd May for Years 10-12. We encourage parents to come and meet the teachers who contribute so much to the development of our students. Mrs Carmen Cox, Deputy Principal has asked me to remind you to fill in the forms which have been included in the Term 1 Interim Report mail out. Interview times fill quickly so return your forms as soon as possible by post, email or fax. It is expected that confirmation slips will be sent home via Years 7-9 students on Friday 23 April and with Years 10-12 students on Friday 30th April.

END OF TERM NEWS—This term we say farewell to Mr Jamie Birrell and Ms Jaclyn Pedersen who were replacing staff on leave in Term 1 in the Physical Education and Science Departments respectively. We also farewell Emma van Dens who has been with the English Department for part of Term 1. Thank you for your dedication and commitment to the college and our best wishes go with you for the future. I would also like to take this opportunity to wish all staff and indeed our college community, a well earned break after a busy term. Have a relaxing and safe holiday—and see you back in Term 2.

Clothes for the Children of Chile—Our sincere thanks to all parents and students who responded to our Children of Chile appeal. Several bags full of clothes were handed over to the Ortiz family (Amanda in Year 11 and Rebecca in Year 12) who are making arrangements for the clothes to be sent to Chile. If you wish to make further donations, this will be more than welcome.

ONCE AGAIN—THANK YOU.

PRINCIPAL
CHISHOLM CARE—As we conclude Term 1 it is appropriate to note that time is fast running out for students to complete the Chisholm Care programme in their respective years. In particular the Year 12s have only these holidays and 5 weekends remaining (to complete their requirements) otherwise they risk their graduation from this College. They have been reminded consistently since the end of Year 10, when the senior programme was launched, of their responsibility to this end. Details on all programmes can be found in the Service Diary and details of approved agencies can be found on the College Website. The agency information is needed for Year 10 students who have missed their Term 1 placement and now need to make their own arrangements as well as for the Year 11 and 12 students. The Years 7, 8 and 9 students should be finalizing their core hours as soon as possible and work towards achieving the various awards that are available to all students who go above and beyond the requirements. Please direct any queries about Chisholm Care to me during office hours and Happy Chisholm Caring! Ms Taniya Rodrigues, Deputy Principal

PROJECT COMPASSION—The Year 11 students have lived up to the reputation they established when in Year 9 as being among the most generous students in the school. On Monday they raised $909.25 in the 50 Cent challenge. O’Sullivan2 took the honours with a contribution of $173.50; Keenan1 was second with $167.50 and third was O’Sullivan3 with $124.70. House-wise—O’Sullivan was first with $315.70, Keenan second with $268.05, Prendiville third with $163.00 and Laurence fourth with $162.50. Overall the Year 11s have raised more than $2 400. Parents should be very proud of such generous children. Mr Vivian D’Almeida, Deputy Principal

LEAVERS’ JUMPERS—The Yr 12 Retreats began on Tuesday morning with a Mass that included a blessing of the Retreat Leaders and a blessing of the 2010 leavers’ jumpers. At the conclusion of the Mass, the House Representatives were called forward to collect and distribute the jumpers that all Year 12s have been eagerly awaiting since last year when the design was finalized. This is only the second year where the graduating class of 2010 have been given permission to wear their leavers jumpers during their Retreat and other occasions as specified in the handbook. The College Community again sends their best wishes to the graduating class on their Retreat as they continue their spiritual journey through "Searching for Self, Searching for God’. Ms Rodrigues

MISSION WITH A HEART AND A PRAYER FOR OTHERS!
“Under the guidance and direction of Mrs Beins, 15-20 Years 7, 8 and 9 students have been generously giving their time during lunch and after school to create some very beautiful rosary beads which will be sent to women prisoners. We hope to reach 100 rosary beads within 2 weeks. Students involved have been able to utilise this time towards community hours. This has been a challenging and fun activity and we would like to thank Mrs Beins for donating some very beautiful beads and inviting us to participate in this worthy project”.

Emma Regolini, Year 8 O’Sullivan

PROJECT COMPASSION
YR7 KEENAN 3-RAFFLE WINNERS
1st Prize = B20(Black/Stripe ticket) - Mrs Helmi Linck
2nd Prize = B39 (Red)- Carlo deLaurentis, Year 7
THANK YOU FOR HELPING PROJECT COMPASSION
Mr Dion Rendall

Year 7 Parents—Throughout this term your son or daughter has been learning word processing in ITE. They have been required to complete several exercises using Microsoft Word. Students have been told they must complete all the exercises and that some have to be completed at home. All of these exercises have to be completed by the end of Week 2.1. They have been given the exercises to take home on their USB but if you would like to download the exercises you can by clicking HERE. Mr M. Burgermeister—Head of Business and Information

NAPLAN (National Assessment Program Literacy and Numeracy) All Year 7 and 9 students and parents are reminded that the NAPLAN test will take place next term. These will commence on Tuesday May the 11th and will go through until Thursday May the 13th. Information will be given to the students in the first week of Term 2. Mr Richard Hennessy and Mr John Laurito, Deans of Years 7 and 9

Examination Revision All Year 11 students are wished a very happy and restful holiday. They are also reminded that next term is an examination term. Students who do well in the examinations are those students who spend a small part of their holiday revising what has been done in Term 1 in preparation for the examinations. Mr Vivian D’Almeida, Deputy Principal/Dean of Year 11

Hello Keenan House!!!
- I am enjoying my shopping trip in Vietnam. I hope the last week of term has gone well and you all have a happy and holy Easter. Not too many easter eggs now. I can’t wait to get back to Chisholm and come and visit you in your PCG’s and show off my new outfit.

Congratulations to all House members. Keenan is currently leading the House points, as we go to print. Keep it up—there is a lot of competition left to go. You did your best in the Cross country. Have a good holiday.
See you all next term. Bye for now. Keenan
Fr Richard Sadowski SDS joined our Chisholm Community this year, replacing Father Irek as the school chaplain. Like Fr Irek, he is a member of the Society of the Divine Saviour known as the Salvatorians. After completing seven years of study in the Seminary in Poland, Fr Richard came to Australia more than ten years ago and has worked in various parishes around W.A., the last being St Simon Peter Parish in Ocean Reef.

Fr Richard’s home in Poland is in the high mountains area and mainly because of this, he likes to take part in and watch winter sports. He has found, however, that W.A. is not the best place to pursue these interests!!! He is interested in ski jumping and took great interest in watching this at the recent Winter Olympics – ON TV!!!

Fr Richard loves a good book, a good movie and an occasional ‘good’ game of golf in his spare time. He tells us he is thoroughly enjoying his time at Chisholm in his new position of Chaplain. Fr Richard, we welcome you to our Chisholm College Community.

‘I’m Singin’ in the Rain…Just…eh.eh.. Singin’ in the MILK!? …’ Have you booked your tickets to the most anticipated event of 2010, Singin’ in the Rain? Yes, tickets are on sale now, so book fast to avoid disappointment. If you just can’t wait, here are some facts about the film version of the play. Did you know:

- Donald O’Connor (who starred as Cosmo Brown) filmed the ‘Make ’em Laugh’ number in one day, over several takes. By the end of that one sequence, he was so bruised and battered from the repeated unpadded pratfalls, he could barely move. He was unable to work for several days after.
- During the “Good Morning, Good Morning” sequence, Debbie Reynolds’ tap dancing was dubbed over by Gene Kelly.
- Donald O’Connor admitted that he did not like working with Gene Kelly because he found Kelly to be a bit of a tyrant on the set.
- In the famous scene when Don Lockwood is singing in the rain, apparently Gene Kelly (who starred as Don Lockwood) was suffering from a fever.
- The script for this movie was written after the songs were.
- In the following dance sequences: “All I do is dream of you”, “Beautiful girl”, “Good Mornin’” and ”Broadway Rhythm” - all the girl dancers are wearing the same shoes each time, but different colour.
- It has been known that Debbie Reynolds (who starred as Kathy Selden) was frequently picked on by Gene Kelly for not being able to dance so well. One day while Reynolds was crying on the set, Fred Astaire helped her with the dancing.
- When Gene Kelly is dancing in the rain, he was wearing a wool suit which kept shrinking on him. In order to be able to move to dance, he had to change his suit several times.
- When they originally filmed the famous rain scene, the rain did not show up on film, so they re-filmed it with a mixture of rain and milk.

DEBATING—The debating season started for all our terms in Week 8. This season we have a fine selection of talented and enthusiastic students to fill most categories. Three Year 8, three Junior and two Senior Teams have been entered.

Year 8
Round One saw some fantastic results for all our Year 8s, with each of these teams securing wins. The students effectively debated the topic “That Australia is the best country to live in on earth”. The students focused on the fact that Australia has a sound economy, good levels of employment, and an efficient transport system. They also took the debate to greater heights arguing the positive aspects of our health care system and the charity programs we implement and encourage. Well done to all these students for the much deserved win, a clear reflection of all the before school and lunchtime effort they have contributed.

Juniors
Our three junior teams tackled the demanding topic “that developmental aid does more harm than good.” The students presented a solid argument, explaining and justifying the moral responsibility we have and the great good our aid provides in self sufficiency and long lasting benefits to so many struggling places around the world. With this solid stance and the time they also put into preparing, they were unlucky not to win. The team (pictured above) have made a solid start to the season and should do very well with such a strong work ethos.

Seniors
Unfortunately, only one of our senior teams got to debate this round. They faced a very challenging task as, with senior debates, they are not only longer (7 minutes) but must face and provide “points of information” which are interruptions that have to be addressed on the spot from the opposition. The students did well for this new inclusion. The debate was exciting and was narrowly won by the opposition.

A great start to the debating season by all, so look out for our debating update in the Carolean to follow the exciting progress being made by this group of fine students. Ms Lindy Ceticin

HANA'S SUITCASE
On 25 March, some students and staff from the College went to listen to Fumiko Ishioka, Director, Tokyo Holocaust Centre, and Lara Hana Brady, niece of Hana Brady, talk about the holocaust and the book, Hana's Suitcase, which the Year 8s had to study this term. The talks were very inspirational and truly heart breaking. Fumiko told us about her discoveries and her journey in her research on Hana. Lara talked about her father and what it was like to be in the concentration camps. Overall, it was a very informative and enjoyable evening and the highlight would be getting our books signed by Fumiko and Lara and having our photo taken with them. Shania Hantke/Yr 8 Keenan 2
Congratulations to all students who competed in the Inter-House Cross Country last Monday at AP Hinds Reserve on the Bayswater foreshore. After a great day of running that saw the girls complete a 2.7km course and the boys a 4km course, the following students were crowned Year Group Champions, while Prendiville narrowly took out the title of winning House.

**ACC Swimming Carnival – 2010.** Chisholm College competed in the ACC B Division swimming carnival on Thursday March 25 at Challenge Stadium. This is the first time Chisholm has competed in this division and after 7 weeks of hard training sessions the team performed exceptionally well in a division proving to be much more competitive than the C division carnival last year. The Year 7’s competed for a separate shield as all schools were yet to incorporate Year 7’s. This year, Chisholm finished in 6th place overall and the Year 7’s finished in 3rd place overall.

It was an outstanding meet for the team and all the swimmers are to be congratulated on the excellent way they swam and behaved throughout the day. It is always a pleasure to attend interschool sports events with our students as they always perform to their best and their behaviour is exemplary. We are particularly proud of our Junior swimmers and it is with this high caliber of swimmers, Chisholm will only get stronger in the years to come.

A special mention goes to Olivia Bowling who came 2nd in the U/14 female championship and John Bull who came 3rd in the Under 13 male championship. Congratulations also to the U/16 Boys Freestyle Relay team who finished first in their division 1 race. A fabulous effort. Well done.

Well done to all the swimmers who really did put in a fantastic effort this year. Thank you to Mr Panizza, Mr Scott Sladden and Mr Kenneth Pennycuck who prepared our team. Once again thank you to all the parents who supported the team and we look forward to swimming in 2011.

Ms Natalie Kastropil, Phys Ed. Department
