Students who have previously received an Honour or Colour, and have not had the embroidery work completed, may also present their blazers for embroidery on the last few days of term.

Blazers will be available for pick up from the Uniform Shop on Tuesday 20th July between 8am-8.25am. Students who receive these awards will be able to have the emblem and/or honour placed on their blazer during the school holidays. The students are to deliver their blazers, the authorisation form and the correct payment to the Uniform Shop on Tuesday, 29 June between 8am-8.25am. These students will be given exemption from wearing their blazer for the last few days of term.

Congratulations to the very talented James Cheng, Year 12 Art Student. James won first prize in the upper secondary category of the Shaun Tan Award for Young Artists. James’ delightful acrylic painting, ‘And I was like, OMG’ is a comment on the effect of technology on the older generations inspired by an art camp earlier in the year down South to Margaret River. This is a very prestigious award where 10 entrants out of 900 were picked for each one of the four categories. City of Subiaco Mayor Heather Henderson said the award was designed to encourage the skills of young Perth artists. The works are on display until Sunday, July 18 at the Subiaco Library during library hours. Well done James on an excellent piece of work!

The official College photographs will be taken on 21-23 July, the first week of Term 3. It is imperative that each student’s winter uniform and grooming is of the highest order. In particular: shirts need top buttons and blazers need two front buttons; blazers and ties need to be clean and students need to ensure that they have the correct tights or belts as necessary. We ask for all parents’ assistance with this and thank you for your ongoing co-operation and support in regards to these matters.

In respect to photograph orders, students were given their own personally labelled envelopes to take home. Parents are asked to select the photos they require and return the envelope, with the payment, to the school on the photograph day. Any student who forgets to bring their envelope on photo day will have a second chance to order school photos when the photos are available at school, however additional charges will apply. Mrs Carmen Cox, Deputy Principal

Last Monday night the College held a very successful Year 9 Parent Seminar. Over 250 parents attended and were informed about Year 10 Curriculum and the Curriculum Handbook; Western Australian Certificate of Education and Year 9 Camps. An information letter and the Year10, 2011 Handbook has been sent to parents who could not attend. The presentation can be seen by following the link. Mr John Laurito, Dean of Year 9/Assistant Deputy Principal

Ms Aimee Collier joined our College just this week—she commenced at Student Reception on Monday 21st June. Aimee graduated from Balcatta Senior High School and has returned to a school environment. Part of her role is to welcome parents and assist students at Student Reception. She thoroughly enjoys this and the diversity of her role. Aimee previously worked in a Sales and Marketing company, helping organise social events and providing administrative assistance to the leadership team. Being a student herself—studying for a Diploma in Beauty Therapy—helps her to relate to and understand students more. Aimee is a ‘people person’ and enjoys interaction with people. She works in a Hair Salon on weekends and enjoys this very much. She also enjoys walking and likes the beach in summer. A good movie on the weekend also helps her relax. Aimee has told us that all the staff have really made her feel very welcome and as part of the family and is very excited to be a part of this wonderful team at Chisholm.  

AIMEE, WE WELCOME YOU TO OUR CHISHOLM COLLEGE COMMUNITY.

Last week the Mathematics Department had a small certificate giving ceremony for those students who took part in the HAVE SUM FUN competition which was held at St. Hilda’s School in Term 1. About 50 schools took part in the competition and one of our senior teams finished joint third position. The members of this team are Jacky Luu, Alan Lam, Udara Wickramage, Chad White, Jordan D’Souza and Jason Truong.  

Well done boys.  

Team managers  Mr TingChai Lee and Ms Jenna Ng

Winter NAS Photos—Fotoworks are trialing a new system this year regarding the Winter NAS photos. Students involved in winter teams have been given an envelope to allow them to order photos at half price. Completed envelopes should be returned to the drop box at student reception by Tuesday 20 July.

The Year 11 Dinner Dance was held last Friday and it was an enormous success. Initially, it was thought that due to the small number, the evening would have to be cancelled. However, thanks to Ascot Quays, who were willing to adjust their plans, the evening went ahead and the sixty-two students who attended had a rocking good time. Paul Scarvaci from Year 12 was an excellent DJ on the night and had the students bopping away on the dance floor for the entire evening. Thanks to Ms Caminiti, Ms Parlongo and Mrs Chew who came in to help with the supervision of the students. Mrs Yates who was having dinner at the restaurant next door also put in an appearance. Special thanks to ALL the parents who showed up on time to pick up their children at the venue.

YEAR 10 EXCURSION TO PARLIAMENT—On Wednesday 23 June both of the Year 10 Politics and Law classes attended an excursion to West Perth. We visited the Electoral Education Centre and did a mock election, as well as a roleplay of introducing a new statute law at the Constitutional Centre. Following was a visit to Parliament, where we visited both public galleries, and one of the classes was present when parliament opened for the day. While there, the Premier delivered the report that cleared MPs Buswell and Carles of wrongdoing in relation to public expenses. The journalists in the gallery raced out to report on the breaking news stories. Many thanks to all students for excellent behaviour on the excursion day.

Yr 11 Netball
Jessica Conti and Stephanie Guerrini combined well in shooting to gain an early lead in the 1st quarter. As always the fantastic defense of Nicola Russo and Rachel Banks kept the All Saints shooters to only 8 goals for the whole game. All the girls played wonderfully well and I am so proud of their achievements throughout the season. I am looking forward to seeing what these girls will achieve in Year 12. Ms Musca

Senior Girls Volleyball
The interzone final was played in great spirit and the team demonstrated great courage and commitment to come back from behind in the second set (14 to 4) to then take the game 3 sets to nil against Ursula Frayne College. Throughout the year the whole squad have shown tremendous spirit and commitment coming to early morning trainings Friday, which I think has resulted in the team being able to play the season without losing a single set! On behalf of the team I would like to acknowledge and thank Mrs Stewart for her help and expertise in early morning drills throughout the year. The squad has benefited greatly from this. It has been a pleasure to coach this team again and see how much their volleyball has improved this year. Well Done team.

Mr Buchanan WELL DONE TO ALL TEAMS.

Smarter Than Smoking Cup
Chisholm 8 goals 5 points 53
Ballajura CC 4 goals 5 points 29

Goals: Miraudo 3, Keitel 2, Cawthorne, Fernandez, Tolich 1
Best: Migro, Fernandez, Ross, Keitel, Miraudo

The Round 4 game between Chisholm and Ballajura was the top of the table clash. The winner would be the front runner to play Trinity College in the East Perth Metro final. Chisholm started very well on the small Ballajura oval. The training all week was geared towards being physical and Migro, Fernandez and Tolich exerted their physical presence early. The move of the game was Miraudo to full forward. He kicked 3 quick goals and set up another to eliminate any chance that Ballajura had of pushing the Chisholm team. Next game is against John Forrest at RA Cook reserve. Well done team!
