VISITOR CAR PARKING—Due to the construction of K Block (the block next to Admin near the main car park)—there is going to be slightly limited visitors parking. Once parked, you need to exit the gate and walk along to the footpath and enter through the main Admin entrance. Thank you.

The College assembled in the Main Quad on Wednesday—to remember and reflect on National Sorry Day. As a Christian community dedicated to walking the vision of a united Australia—it is important for us to celebrate this landmark event in order to bring about reconciliation and healing. After a very solemn flag hoisting ceremony, our Head Boy Ben Okamoto spoke on the significance of the event and our Liturgy Prefect Paul Scarvaci led us in a beautiful prayer. This was followed by a poem read by Head Girl, Amanda Washbourne—"...a different name, a different face; a different language, a different place; There seems a great difference, but we’re all the same; We breathe the same air, we feel the same pain. Always look in, before you look out; Try a prayer, before you shout." (Richard Walley –1999)

ACC CROSS COUNTRY—At our Assembly we also introduced our 2010 Cross Country teams. We wish them luck for the ACC on June 3rd.
We congratulated:

♦ Cassandra Cutler & Lee Andrus (Senior Captains)
♦ Ellen Dewhurst & Jason Douglas (Junior Captains)

Thank you to Mr Palmer and other staff members for the early morning training sessions.

What a wonderful display of talent from all our students—the acting, the singing, the dancing, the music. You had your audience captivated and I reiterate what I said at Saturday Night’s Finale—each year, it just gets better. You were outstanding! Many of you are involved in so much more—your discipline, dedication and commitment is very commendable. Well done. And again to Mr Sanusi, Maj Milne, all teachers, staff, students and parents who were involved in any way with our Production—thank you and well done. You have been amazing. A wrap-up from Ms Searle, Publicity Officer is further on in the newsletter.

CHISHOLM CARE – YEAR 12—As the Semester One exams begin, another important stage in the Catholic education of our Year 12 students comes to a close. That is, the final stage of the College’s Service Learning Programme, Chisholm Care.

Over the past 18 months, students have completed at least 30 hours of service outside the gates of the College. They have been involved in a myriad of activities that put them in direct contact with an area of disadvantage within our community.

What is common to all of these areas of service is that Chisholm students have learnt life skills and been pushed outside of their comfort zones in order to give of themselves to improve circumstances and hopefully be transformed in the process.

In doing so, our students have continued the great tradition of service that is so central to the message of Christ – a tradition that was also displayed in the life of Caroline Chisholm.

Congratulations to all those students who completed the programme effectively. No matter where they have served, Chisholm students have been wonderful ambassadors of the College and made a positive difference in our society. The challenge now lies before each one of these young adults, as they look forward to leaving school and joining our global village, to continue to ‘be the change you (they) wish to see in the world’ (Gandhi).

Ms Taniya Rodrigues—Deputy Principal, Campus Ministry

The Rotary Club of Swan Valley and Jade Lewis present “Just Say NO Community Drug Prevention Presentation”. Special guest speaker and author Jade Lewis will deliver a powerful message that will give great insight into the damaging drug culture.

Jade’s story of once being a medal winning aspiring young athlete at 15, turned heroin addict at 18, will have all people interested. At 22 Jade entered the Teen Challenge program in WA. Today she is an author, motivated speaker, mentor and great model to many. This event will give you instructive, inspirational messages and strategies to help young people, their families and the local community overcome drug and alcohol issues.

When: Sunday, 30th May 2010 Where: Midland Junction Arts Centre, Cnr Great Eastern Hwy and Cale St Price: $10 per ticket which includes free copy of Jade’s book ‘Golden Haze’

RED DESERT TOUR - EASTER SCHOOL HOLIDAYS 2011—Four years ago, a group of students and parents went on a fantastic Red Desert Safari along the great central desert highway, through Laverton, Warburton, Docker River, Lassiter’s Cave, Uluru, The Olgas, King’s Canyon, Alice Springs, Cooker Pedy, Everard Lakes and through numerous cave’s along the Nullabor Plain. It was an unforgettable experience and the exhilaration of climbing Uluru was something never to be forgotten.

This safari has the potential to be a trip of a lifetime and I would like to encourage the college community to support it. There will need to be a minimum number of 20 and a maximum number of 30 for the Safari to go ahead. At the moment I do not have a price as this will depend upon the number of participants on the trip however I would anticipate a cost in the vicinity of about $2000.

To give others the opportunity to experience our central Australian outback, I would like to organise a trip for the Easter holiday break in 2011. The dates would be around about the 25th/26th April which would be Tuesday or Wednesday of the first week and finish on Saturday 7th May.

It is open for students and adults but as it is a camping trip it would not be suitable for Yr 7’s or 8’s to go alone. However if these students were accompanied by an adult then it would be open for these two groups of students. All other student groups can travel independently.

I will hold a meeting for all interested parties in the college staff room on Wednesday June 23rd at 6.30pm. At this meeting you will receive some further information about the organization of the trip and also see a few photos of our previous trip into the great central region of Australia. If you are interested in this safari please come to this meeting. If you would like any other information you can ring me on 92082609 or send me an email at j.stewart@chisholm.wa.edu.au and I will try and answer your queries.

This will be a fantastic trip and a great experience and I sincerely hope that we will have enough interest in our College community for it to go ahead.

Mrs. Jan Stewart

Mr Graham Adam commenced as Bursar at the College in January this year. Graham is a Chartered Accountant with 25 years experience. For the past eight years, he ran a small accounting practice. He has also held the role of Financial Controller at the Australian Institute of Management and Brambles Australia. After serving many years on School Boards, Graham decided to take the plunge and get directly involved in a school. He tells us he loves the diversity of the role and interaction with staff and the wider school community. He is married with three children. Most of his spare time is taken up umpiring his daughter’s hockey or scoring his son’s cricket. He also likes to cycle, take walks and on the odd occasion attempts to keep his garden under control. Graham likes the music of the 60’s and 70’s with the Beatles, Dylan, Springsteen and Pink Floyd. He occasionally tries to master the didgeridoo which he purchased in Alice Springs on a trip through central Australia.

In response to his cooking prowess, Graham says he is ‘terrible in the kitchen’ - but is aspiring to cook a curry as good as Mr D’Almeida. He fantasises about going to the Tour de France and cycling some mountain stages. He says he will be at the MCG in 2012 when the Eagles win their next flag. Graham, we welcome you to our Chisholm College Community.

Attention Year 7 Parents

All Year 7 students are now doing spreadsheets in Integrated Information Technology. During the next 2 weeks they have to complete 12 spreadsheets from the exercise booklet. Your son or daughter has been told to take the exercise booklet home on their USB to complete the work. Please ask if they have done this. If not, you can download the booklet by clicking here: BOOKLET. They will also need the basic files which can be downloaded by clicking here: FILES.

That’s All Folks

I had heard about the pie in Shannon Clarkson’s face, and how the cast members had to docey do around the slippery mess. I had heard about Jake’s improvising on opening night for a minute or so, and the misty rain. I had heard about Amanda’s concealment in a rather sizeable cake, and the counted kisses, but still I was surprised. Prior to the performance, my expectations were based on three things: hearsay, my own experience, and the beaming faces of the children who came to watch the preview performance for feeder primary schools on Tuesday. My previous experience had taught me that the filmed footage (both silent and the arrival of the ‘talkies’) which introduced the horror of Lina’s screechy voice to the public; the dipping in and out as Lina struggled to face the pot plant throughout her speech; Amanda’s sweet singing voice, particularly ‘You Are My Lucky Star’; ‘All I Do Is Dream of You’ and ‘talkies’) which introduced the horror of Lina’s screechy voice to the public; the dipping in and out as Lina struggled to face the pot plant throughout her speech; Amanda’s sweet singing voice, particularly ‘You Are My Lucky Star’; ‘All I Do Is Dream of You’ and the technical staff. I revelled in the sheer joy of the show, which I shared with the other audience members. For those of you missing the show already, let’s remember some of the highlights: the filmed footage (both silent and the arrival of the ‘talkies’) which introduced the horror of Lina’s screechy voice to the public; the dipping in and out as Lina struggled to face the pot plant throughout her speech; Amanda’s sweet singing voice, particularly ‘You Are My Lucky Star’; ‘All I Do Is Dream of You’ and the wonderful clowns, the cute little duet of the mini Don Lockwood and Cosmo Brown; the Major’s teddy which played ‘Singin’ In the Rain’; Peter Kijak’s sumptuous rendition of ‘Singin’ in the Rain’ which ended with the real rain falling from goodness knows where. I am sure that you have your own fond memories to get you through the impending exam period, but if that isn’t enough, there are many photos in the library which are being projected on the flat screen above J2 and J3. Thanks everyone for a fabulous show in 2010. Over and out!

Well done to all teams for a wonderful round against Newman College. Winning 24 games out of a possible 31 is a tremendous effort.

**Messages from the coaches:**

‘The year 7 boys football team achieved their first win against Newman College. They are to be congratulated for their determination and self-belief. An all round effort. Well done!’

**Mr Anthony Porter – Yr 7 boys football**

“The boys looked good for the school NAS photos and looked even better on the field with a convincing win against Newman (11-0). We are now undefeated and on top of the ladder going into the finals. Excellent team effort from all the boys. Special thanks to Mr Leo Falcone and Michael Falcone who has been helping me out with the coaching”.

**Mr James Chua – Yr 7 Boys Soccer**

NAS games will take a two week break during the exam period. Teams will resume after this time for the finals. Teams that finished in first or second place will be playing in the grand final. Teams that finished third or fourth on the ladder will play off for overall third place. Teams that finished in fifth place have played their last game.

Remember you can see all the results plus ladders and fixtures for future rounds on the ACC website [www.accsport.asn.au](http://www.accsport.asn.au). They are also available on our college website which has recently undergone some upgrading. Also, as a new initiative the results of senior matches will also be published in the West Australian Newspaper.
