The Australian Government is undertaking a School Funding Review of schools for school funding post 2012. There is also a Federal Election to be held later this year.

The Catholic Bishops of Australia are seeking to obtain from both the Government and the Opposition the provision of ongoing funding for Catholic schools at least the same level in real terms.

To assist with the campaign, the Catholic Education Commission of Western Australia would like to provide information regarding Catholic education for parents and friends of Catholic students to discuss with local candidates regarding their stance on future Catholic education funding and for parents and friends to be in a position to make an informed decision come closer to the election.

**FACTS ON CATHOLIC EDUCATION**

- Catholic schools have been providing quality education for Australian children for over 180 years.
- There are approximately 1700 Catholic schools in Australia, with an enrolment of almost 700,000 students – that is 1 in 5 of all Australian school students.

**2010 MENTOR EXCELLENCE AWARDS**

We are absolutely delighted to advise you that The Western Australian College of Teaching announced six winners of the 2010 Mentor Excellence Awards on Friday 4 June. The winners were recognised for their professional excellence in mentoring early career teachers. Each was nominated by the beginning teacher they mentored. Our very own Mr Ting Chai Lee was the winner of the Catholic Education of WA Mentor Excellence Award. This award recognised the dedication, skills and passion of experienced WA Teachers who voluntarily acted as mentors to those starting out in their teaching careers.

The following is a comment from Ms Jenna Ng who nominated Mr Ting Chai Lee - 'No teacher has influenced me as positively. It seems everything he does serves to benefit others - students, staff members and other members of the community. He is such a giving and unselfish person who never asks for or expects anything in return, which makes him the epitome of all that a mentor should be'. WELL DONE TING CHAI.

And there is more! Chisholm College had two finalists. MRS LINDSAY HAWES was among the total of 14 finalists selected from a list of 20 teachers. Congratulations Lindsay.

WE ARE SO PROUD OF BOTH OF YOU

Mr Richard Hennessy/Deputy Principal, Dean of Year 7
Mr Paul Brennan commenced at the College on Monday 10th May 2010 and is thrilled to be here. He has told us that the entire staff have gone out of their way to make him feel welcome in what has been a busy time at the school, with everyone preparing for exams. The students he teaches in Society and Environment have made the transition to a new teacher easily, with maturity and respect.

Paul completed his undergraduate degree at ECU in Geography and History, and his Diploma of Education from Notre Dame University, Fremantle. Over the past ten years he has taught at Clontarf Aboriginal College, St Andrew’s Grammar, and Newman and Wanneroo High Schools.

The last four years have been spent working part-time while looking after his four year old son Julian, on the days he wasn’t teaching. Julian now attends kindergarten which has allowed Paul to commence working full time again.

In his spare time, Paul enjoys spending time with his wife and son. As a History teacher he enjoys travelling and has studied, worked and lived overseas. He is a big sports fan, and also enjoys mixed martial arts. He follows Hawthorn in the AFL and Chelsea in the Premier League.

Paul, we welcome you to our Chisholm College community.

Year 10 Parent Information Seminar—Parents are reminded that the information seminar for parents will be held on Monday 14 June at 7.30pm in the Performing Arts Auditorium. Refreshments will be served from 7pm and the seminar will start promptly at 7.30pm. The seminar will deal with issues particularly relevant to Year 10 students as they prepare for Years 11 and 12, especially WACE requirements and subject selections. I look forward to seeing you there.

YEAR 10 RETREAT AND CAREERS SEMINAR—After all their preparation, study and sitting for exams, our Year 10 students were able to enjoy two very active days where they could concentrate on themselves. Between yesterday and today, the students have been able to attend a one day Pastoral Care Retreat and a full day Careers Seminar. Focusing on our year theme of “Called by Christ”, students were able to spend some time reflecting on their own lives and the directions they would like to start taking for themselves in the future. Students tell me that they found both days very enjoyable and a worthwhile time for them after the pressure of their senior exams. On behalf of the students and myself, I would like to thank the Year 10 Pastoral Care advisors for their help over these two days.

In perfect conditions the Smarter Than Smoking Cup football team played their first game of the season. A little unsure of their opponents, it took a little time for the Chisholm team to settle and play the type of football that Mr Laurito (Coach) would expect. After 10 minutes the boys started playing the middle of the ground and quickly over powered the Mt Lawley team. A great half by Tyler Keitel, James Tolich and Branson Cawthorne set up a 7 goal lead at half time. In the second half Mr Laurito rotated most positions to give everybody an opportunity to shine. The Year 8 boys in Joe Mercuri, Alistair Clohessey, Shaquille Maharaj, Jake McKay, Joshua Evans and Alex Cope all played a great half and kept the pressure on the opposition.

Our next game is against Aranmore at Hillcrest Reserve.
