FACTS ON CATHOLIC EDUCATION
♦ Two out of every five Catholic schools are located outside of Australia’s major cities.
♦ In Australia, the Catholic school system employs over 78,000 people. This is more people than the entire Australian workforce involved in the manufacturing of motor vehicles, or the same number of people employed across every single department store in Australia.

UNIFORM DISCIPLINE

It has come to the attention of staff that some students are applying henna tattoos that are visible. Please note—THIS IS NOT ACCEPTABLE FOR STUDENTS AT CHISHOLM CATHOLIC COLLEGE.

Parents of students with visible tattoos—will be contacted to take their child home.

ON THE ROAD TO SINGAPORE – 2010

As of today (Friday, 18 June 2010) it is only 14 sleeps to go before 79 students and 6 staff members meet at the Perth International Airport to depart for the 12 day Tour of Singapore on Friday, 2 July 2010.

The staff and students will meet at the airport at 4.40am so as to enable a group check-in to take place including all of the Bands’ instrumental equipment. (*Any students who arrive at the airport before Major Milne will be awarded a Freddo Frog!*)

Every three years Major Milne takes the Chisholm College Concert Band and the Chisholm College Showband on tour to Singapore. This year is the fifth such tour by these Chisholm ensembles. He says that this is a great opportunity for students to display their talents in the art of music making, experience international travel and to form friendships with fellow music students from Singapore. Some past students still maintain contact with Singapore students whom they met whilst on tour.

The Bands will be able to “show off”, performing concerts of different styles and lengths at schools, shopping centres, and various venues around Singapore including Sentosa Island and the Raffles Hotel.

In addition to being kept very busy with the many performances that the Bands will undertake, there is also an opportunity for the staff and students to enjoy some well earned sightseeing of Singapore including the Singapore Zoo, Universal Studios, Sentosa Island, the Night Safari and the Singapore Flyer. There may also be the odd bit of time left, which will allow some shopping.

While representing Chisholm College overseas, the students also act as great ambassadors for Western Australia and indeed, Australia. The group will return on Tuesday, 13 July to some well earned rest and to start their preparation for the various performances in the Performing Arts Festival for Catholic Schools and Colleges, which begins with an Opening Mass on the first Friday of Term 3.

HAVE A WONDERFUL TRIP!

NAS – Winter Season Finals Results

Mr Andrew Glover, Head of Sport

What a huge week for Chisholm Sport. A total of 16 teams were able to secure victory in their respective Grand Finals throughout the week. This is a wonderful achievement and puts Chisholm in a great position in the overall points race for NAS (this will be announced in a couple of weeks). Every team (including summer) earns points towards this tally depending on which position they finish. For example Premiers = 5 points, 2nd = 4, 3rd = 3 etc. Therefore Chisholm relies on every team for this overall Award. Above and beyond Chisholm’s success is the manner in which all teams conduct themselves during games and the enjoyment and team spirit students display.
