ACC ATHLETICS CARNIVAL 2010
We are absolutely delighted!
CHISHOLM won the overall FIRST PLACE in the ‘B’ Division.
What a fantastic result. 2011 takes us into ‘A’ Division.
Congratulations to all students who participated and indeed, to all staff who were involved in any way. We are so proud of all of you. WELL DONE! Results and photos on page 4 of the newsletter.

From the Principal

CHISHOLM CARE—The College’s Service Learning programme has now officially concluded for all students other than the Year 11’s. It is imperative that students finalise their hours/days of service and complete their Service Diary prior to submitting it to their Pastoral Care Advisors. As you are all aware, completion of Chisholm Care in each year level is one of the precursors to graduating from this College. As well it empowers students to be active citizens in our community, serving others just as Caroline Chisholm and Jesus did. We thank all those students who have whole heartedly committed themselves to Chisholm Care and to the people they have served in the process.

Ms Taniya Rodrigues, Deputy Principal, Campus Ministry

Chisholm Alumni First Event – Congratulations - On Sunday 19 September the Chisholm Alumni held its first event which saw the current Year 11/12 NAS Soccer Team compete against the Alumni Soccer Team. The event started with a Sausage Sizzle which was followed by the big match. Congratulations to the Year 11/12 NAS Soccer Team who won the inaugural event, 4 goals to 1.

We were blessed with wonderful weather for the match and it was an enjoyable experience. Thank you to those who showed their support of the Alumni and the College by attending the event. We would also like to acknowledge the support of Mondo’s for providing us with the sausages for the Sausage Sizzle. We are looking forward to seeing you and meeting more Alumni at our next event which will coincide with the College Arts Expo.

Join us on Facebook (Chisholm Catholic College Alumni) to keep up with the latest news and event information of the Alumni. We can also be followed on Twitter (ChisholmAlumni).

Year 10—Our Place in Religion Excursion—Mrs Cox and Mr Panizza’s Year 10 REP classes went on an excursion to Saint Mary’s Cathedral on Thursday 16th September. We had a tour of the building with Deacon Cyprian. The Deacon showed us the three different centuries of work from 19th century 20th century and 21st century. He also told the class about the history of the building and showed us the various sections including the very special room that holds the bodies of previous Bishops. Deacon then told the classes some facts about the way the cathedral has been built and also showed us the altar and the 100 year old organ!! We were all impressed by the beauty of the old and new parts of the Cathedral.

SHOWCASE 2010
Last Wednesday evening the Years 7 – 12 Dance students Showcased their year’s work to a packed auditorium. Monies raised ($900) from this event will be presented to the Kora Centre at the conclusion of the Yr 12’s Thanksgiving Eucharist. Students were more nervous about performing for their families than at a public showing. They needn’t have worried – each and every one was fantastic. There was a wide range of dance and music styles presented in a very carefully planned and slick operating system that the Yr 12’s controlled beautifully. Our Guest Speaker was a graduating student from the Class of 2001, Ms Melissa Tatasciore, who spoke about the dedication, commitment and practice which is required to go into an event such as this. She also spoke of the opportunities which are now so much more available for students who study Dance than when she was learning and competing in Eistedfodds. At the conclusion of the items, Ms Rodrigues presented the Senior Dance students with their Dance jackets as a well-earned memento for their 5 years service to Dance at Chisholm. I am extremely proud and delighted to be allowed to work with all the students who showed such commitment in giving up their lunch hour on many occasions to rehearse and re-design their items to not only fit a different stage, but to accommodate students who did not perform on the night. This was a particular hurdle for the Yr 7’s as much of their item was depleted not only during rehearsals, but for the evening performance. Those present rose to the occasion and both items looked very strong. My thanks to every student throughout each year group, but in particular to the Senior students who gave more than was asked of them.

Good luck for your exams and keep dancing – because you can!

Mrs Glenda Foreman

YEAR 10 RIVER CRUISE—The much anticipated Year 10 River Cruise had finally arrived! Last Friday night, 17th September, the Year 10 students boarded the MV James Stirling for a night of dancing and laughing. The boat left Barrack Street Jetty at 7pm, made its way to Fremantle and returned to the jetty at 10pm. The girls all looked stunning in their dresses (there were a lot of sore feet after a night out in high heels!) and the boys all looked sauvé! On behalf of all the Year 10’s, we would just like to thank Mrs Cox for organising this amazing night, the Pastoral Care Advisors and other teachers for joining us on the evening and a huge thank you to Paul Scarvaci and Michael Gizzari for a fantastic night of music.

Australian Mathematics Competition—Last year’s results were simply outstanding and one could be forgiven for expecting lesser results this year. How wrong could we be. Mr John Hackett tells us that the bar has been raised even higher as this group of students have achieved the best ever results for the college. Once again nearly 500 students entered the competition and performed well above State average in every year group. Only the top 1% achieve a High Distinction (HD) and, with that ratio, we would expect about 4 or 5 HD. Chisholm received a grand total 19 with 7 of these being achieved by the Year 11 students. The following Year 12 students achieved a High Distinction: Alan Lam, Matthew Clarke Massera, Anthony Lam, Duc Tran and Jacky Luu. And the icing on the cake, a Year 9 student Phung Do went one step further and was given a PRIZE. To achieve this result he had to be in the top 0.3% of the students in the competition. A truly wonderful achievement. Overall a fantastic set of results that emphasizes the strength of Mathematics in this College. WELL DONE EVERYONE.
The A.C.C. “B Div” Athletics Carnival was held on Tuesday, 21st September, and what a spectacular carnival it was. Our students have been training for nine weeks in preparation for this event and their commitment and effort definitely paid off! Perfect conditions set the scene for a tremendous Chisholm team effort. There were many outstanding results on the day which contributed to the overall success and cohesive team atmosphere. Individual records were broken, personal bests achieved and thrilling relay races were shared by all.

I would like to thank all the members of the school team for their commitment to training and on the way they banded together on the day. Enormous congratulations on our overall FIRST PLACE victory! As a result we are promoted back up to A division in 2011, where we will need to rise as a team again to face new challenges.

I would like to say a special thank you to Mr Darren Ballantyne who worked hard to get the team ready for the carnival. I would also like to thank the following coaches for their dedication and hard work with the training programme: Mr Andrew Glover, Mr Robert Marshall, Mr Paul Chant, Mr Paul Brennan, Ms Maria Ainsley, Ms Cat Harrison, Mrs Jacki Cattermole, Mr Rick Cattermole, Ms Sarah Jane Cattermole, Mr Dominic Crouch(2003 student), Mr Max Beliniak(2003 student), Mr Jeremy Andrews (2009 student), Mr Steven Wityk(2009 student) and Mr Simon Falcone(2008 student). Without their expertise our students would not have been as well prepared.
