SHARED LEARNING / TEACHING EXPERIENCE
Collaborative teaching certainly benefited the Year 12 Applied Information Technology Stage 2 students at
La Salle and Chisholm Colleges last week. Students were provided with an opportunity to attend a
revision lecture for the up-coming school-based and WACE examinations. Chisholm students were very
fortunate to have Mrs Lindy Reger of La Salle College come and discuss Design Principles and Elements
with them. I join our students in thanking Mrs Reger for her very informative session.
Mr Michael Burgermeister, Head of Business and Information Technology reciprocated by visiting
La Salle College and discussing networking with the students in Mrs Reger’s class.
We will continue to undertake collaborative efforts such as these, that go a long way in providing
excellent learning opportunities for all students.
Thank you and well done Mr Burgermeister.

PARENT GROUP RAFFLE—Mrs Susan De Francesch, President of the Parent Group has
asked me to remind you that Raffle Books were due to be handed into the office on Wednesday 25th
August. Any unsold raffle tickets must be returned to the office as soon as possible—as all tickets need to
be accounted for. Your help in this matter would be appreciated.
Once again, I urge you to support our Parent Group who work so hard and with so much dedication.
Just to remind you, the Quiz Nite planned for this term is cancelled.
We look forward to your support for the Parent Group event in Term 4.

COMMENDATION FROM THE COMMUNITY—Our College Receptionist,
Ms Marnie Jarvis was delighted to receive a call from a member of the public, highly commending
students who catch the No. 99 bus, for their courtesy and the impressive manner in which the students
wear their uniform. This is the second commendation we have received in this week with regard to our
students. Well done.

FATHER'S DAY MASS AND BREAKFAST
The day is fast approaching when we celebrate the vocation that is Fatherhood! As is our tradition, we will be offering a Mass for the Fathers of the Chisholm Community in our College Chapel on **Thursday 2nd September, beginning at 7.45am.**
This year we have changed the day so fathers who may be attending celebrations with their primary school age children on Friday morning, may also be able to join their secondary school age children on Thursday and receive double blessings!!
The early start allows for more dads to be present before attending to work commitments. A shared breakfast with your son/daughter will be offered afterwards.

CHISHOLM DAY
We celebrate our heritage and unique Chisholm spirit on **Friday 3rd September** with two major events that mark this occasion – **College Mass** and **Fundraising Fete.**
Parents and Friends are welcome to attend our College Mass in the Brother Ollie Pickett Recreation Centre (9.15am-10.15am) where we will celebrate our Patron, Caroline Chisholm, who is as relevant and inspiring for us today as she was in her time. Our Fundraising Fete begins after recess where students are expected to donate $5 for the privilege of wearing ‘free’ dress. Other monies raised by a wide variety of PCG stalls will go toward Caritas for their Pakistan Appeal (the College has already donated a sum of money due to the urgency and enormity of this crisis). House points will also be awarded per dollar raised.
We ask that you support your child’s endeavours towards this fundraising day.
Please pay particular attention to what your child wears – it should be respectful and modest.

Ms T Rodrigues, Deputy Principal–Campus Ministry

Our thoughts and prayers are with all people of Pakistan who have been devastated by the floods. May we be strengthened in solidarity with them and provide generous, prayerful and practical support as they begin to re-build their lives and their communities. As mentioned above, the majority of our monies from our Chisholm Day fundraisers will go towards this cause.
Please give generously as you have done in the past towards victims of natural disasters. Thank you.

The Australian Government has appointed a National Commission on the **Commemoration of the ANZAC CENTENARY,** with its key role being to call forth ideas from all Australians about how we should commemorate this important chapter in our history in local communities and nationally. A public submission process will be open until 17th September. We encourage you to put forward your ideas.
More information and a form is available on [www.anzacentenary.gov.au](http://www.anzacentenary.gov.au)

STUDENT QUIZ NIGHT—The annual Senior Student Quiz Night was a great success with over 80 students attending on Friday 20 August. It was a fun filled evening, testing the students’ knowledge, memory and enthusiasm.

Year 10 River Cruise—will be held on Friday 17 September and we are expecting a good turnout and an enjoyable evening. Information has been sent home today with our students. Students wishing to attend need to return the signed permission slip with their money in a labelled envelope by Thursday 9th September.

(Students should use the drop box in Student Reception to hand in their envelopes.) Please note that any refunds after that date will not be possible. A copy of the parent information letter can be found at this link- Year 10 River Cruise Parent Letter.

Mrs Carmen Cox, Deputy Principal/Dean of Year 10

Year 9 students have the opportunity to participate in a programme called City After Dark. This is a programme run by Constable Anthony Smith, through Community Policing. It looks at safety on public transport, safety in the City after dark and being aware of your surroundings. The programme will run on Tuesday, Wednesday and Thursday of Week 10. Only 20 students can be involved on any one night so there is only the opportunity for 60 students to participate. If you are interested please follow this link.

Mr John Laurito, Deputy Principal/Dean of Year 9

VISIT FROM CHINA—Last week, our College hosted a group of 16 Chinese students and 6 staff from Beijing Hui Jia (IB) Private School. Our Year 8 and 9 Mandarin students enjoyed interacting with them in both English and Chinese. The visiting students informed us about their school, Chinese food, festivals and lifestyle. We shared an Australian afternoon tea. We hope to become e-pals and visit them one day soon in China.
