CHISHOLM CATHOLIC COLLEGE
is the WINNER of the
2010 ARCHBISHOP’S SPIRIT AWARD
Since 1999 just one school is selected each year to receive a special acknowledgement and an appreciation
award to recognise the school’s outstanding support and participation in LIFELINK DAY. This award is not
awarded on the basis of how much money is raised through fundraising. It is presented to the school which
demonstrates active support for LifeLink and embraces it’s goals to learn about the Church’s response to
people in need within the Archdiocese, and undertake fundraising to support the social service agencies
funded through Lifelink. We have also been recognised for our commitment to educating students on their
responsibility to care for the less fortunate and to promote an ethos of caring and compassion to students,
teachers, parents and the wider community.
The Most Rev Don Sproxton, Auxiliary Bishop will be visiting the school on a date nominated by the
Archdiocese to present the award to us.
A hearty congratulations and thank you. Your generosity and compassion has made a huge difference.

Our very talented students will showcase their work in the

Once again our Chisholm community have responded very generously to victims affected by natural disasters. Thank you again.

The following letter of thanks was received from Mr Jim Smith, Regional Coordinator, WA—CARITAS:

"Dear Ms Rodrigues,

I would like to thank you and all the staff and students at Chisholm Catholic College for your generous support of the Caritas special appeal for 20 million flood affected people in Pakistan. With your help, Caritas has been able to offer emergency survival kits and so reduce starvation and disease as they begin rebuilding their lives. Your support will save many lives in areas where homes, farms and families have been devastated. Thank you."

Ms Taniya Rodrigues, Deputy Principal – Campus Ministry

Another vote of thanks to our Year 11 Chisholm Care Students!

Here is an excerpt of an email from the Program Coordinator of Earth Assist….

"I just wanted to say a huge thank you for promoting our school holiday program at Chisholm. We had a very successful program, with Chisholm students representing the College well.

All up 29 Chisholm students volunteered with us for a total of 59 days. That’s 354 hours of community service on conservation projects around the Perth metro area. Impressive! Thanks again."

Congratulations to those Year 11 students who were involved in this holiday programme. They were obviously wonderful ambassador’s of the College and indeed served just as Jesus and Caroline Chisholm did.

Ms Taniya Rodrigues, Deputy Principal – Campus Ministry

The Edmund Rice Community is a place where Christian Brothers and ten young adults, male and female, live together as community for one year. “It is a great place for young adults to live and grow”. In addition, the Christian Brothers learn so much about our wonderful youth by sharing community life with them. The Edmund Rice Community has been operating for five years and they look forward to another ten young adults joining them in community in 2011.

The Edmund Rice Community is particularly well suited to tertiary students. This year they have seven university students and three others working in the fields of engineering, physiotherapy and construction. The community is suited to young adults, male and female, who are seeking a supportive place to live in 2011 while studying and/or working.

Further information and a video on the community can be viewed www.edmundrice.org/ercommunitywa or at www.youtube.com. Simply go to YouTube and search for “Edmund Rice Community WA”.

If ever you are south of the river, you are always welcome at the Edmund Rice Community at Salter Point (Westcourt). They would love you to go and have a cuppa or a meal with them.

Year 7 Vaccinations

Year 9 Camps 2010
The Year 9 camps commence on Wednesday Week Four for Keenan and Laurence students and the following Wednesday for O’Sullivan and Prendiville students.
The student drop-off and collection arrangements for the two camps are as follows:

Wednesday morning
The May Street car park will only be available for drop offs. Please then move out of the school grounds and park on the surrounding roads if you wish to stay. The students will meet in the gym and then will be directed to the buses.
There will be a large number of staff, students and all their camping equipment in the area, so it would be appreciated if parents could drop their students at the car park and then leave to avoid any congestion.

Friday afternoon.
The buses will be returning from camp at approximately 5.45pm – 6.15pm. The May, Belham and Young Street car parks will be available for parents who are collecting their students. Please do not park in the bus bays. Staff will wait with your child until they are picked up, so please don’t be late as this is an extremely undesirable situation.

More information can be found on the College website: News and Events – Events – Camps – Year 9.

Thank you for your cooperation with this matter.

Mr Andrew Glover, Head of Sport
