Today is **WORLD TEACHERS’ DAY**. We have had outstanding results this year in all areas of the curriculum. This is certainly a reflection not only of the work put in by our students, but an indication of the extraordinary dedication of each and every one of you, to get the best out of every child. I thank you also for the excellent mentoring role so many of you have undertaken—to your colleagues who have recently started out in their teaching careers, and for the time and effort you put in to the Professional Development programme.

On behalf of the College Board and our Chisholm community, thank you and have a wonderful Teachers’ Day.

**YEAR 12 BREAKFAST**—A week ago today the Class of 2010 celebrated their achievements with a buffet breakfast in West Perth. This was the last purely social gathering for the year and students really enjoyed the food and their own company. The occasion was marked with the presentation of the student derived “alternative awards” known as the Golden Globes. Head Boy Ben Okamoto and Head Girl Amanda Washbourne announced and presented each award much to the delight and enthusiasm of their peers. Following the awards, Claire Baronas led us all on a trip down memory lane with a photographic reminder of some of the events of the last five years. Thank you again Claire for a great job well done.

**Mr Robin Fox, Deputy Principal/Dean of Year 12**, joins me in thanking all of you for the wonderful time spent with you at the breakfast. All that remains is the WACE exams that begin on Monday and of course Graduation at the end of November. We wish all students the very best for their upcoming examinations. It has been a pleasure journeying with you over the years.
Year 10 and Early Settlers Day—

The 27th October saw 36 privileged Year 10 students making their way down to Hillcrest Reserve to assist in the Annual Early Settlers Day Lunch. The day began with a rush of setting up and preparing for the guests. As the day progressed and over 1200 guests poured in, we found ourselves rushing back and forth, serving drinks, assisting with meals and aiding the guests in any way possible, while being entertained by a jazz band. Not only was it a busy worthwhile day but we were able to meet the citizens who have lived for 40 or more years in the City of Bayswater. We met many great people and are thankful that we had the chance to attend such a prestigious event. Bianca Nayar (10 O'Sullivan 2) and Jane Phan (10 Prendiville 3).

And from Mrs Cox, Deputy Principal/Dean of Year 10 ....... Thank you to our thirty six students who acted as helpers and student ambassadors at the City of Bayswater Early Settlers Day. The students did themselves, their families and the school proud by their exemplary behaviour and helpfulness on the day. We received many compliments about their work on that day. Well done to all.

The Practical and Creative Arts Exhibition opened on Monday, 25 October. The audience was treated to a fine display of fashion from the Art classes of Years 10, 11 and 12 and the Textile classes of Years 8 to 12. Our Guest speaker, Alain Fabrègues, Chef and owner of the Loose Box Restaurant treated us to the finer points of difference between hunting truffles with a pig and with a dog. Then seventy-eight of our most talented students vied for eighty-seven awards from the following Learning Areas: Business and Computing, Design and Technology, Home Economics and The Arts (Art, Media and Photography). Finally the Exhibition was declared open and parents, friends and students flocked to the display areas strung out between the Home Economics area and the foyer of the Performing Arts Centre. Food and Drinks were prepared and served by our Home Economics students under the very watchful eyes of their teachers.

Our sincere thanks must go to all teachers from the Learning Areas mentioned above. It is hard to describe the hours of work that go into such an Opening and such a display. Thanks must also go to the support staff of these Learning Areas as well as our groundsmen. Our final word of thanks to our students, for their very solid contributions and to parents for their constant and unstinting support of events such as these. Mr Vivian D’Almeida, Deputy Principal

The Chisholm Alumni Supporting Chisholm Artists—A brilliant event! Wednesday night saw the hosting of the Chisholm Alumni's second event. The event was held in conjunction with the Practical and Creative Arts Exhibition. Those who attended were treated to stimulating art works, tasty wine, delicious food and comprehensive school tours. It was encouraging to see a wide cross section of graduating classes represented and it was so great to see old friends whilst making new connections. We sincerely thank all who attended, all who helped and all who organised tonight's gathering. We are all looking forward to seeing you and other Alumni at the next event.

Congratulations to Olivia Monte who won the Chisholm Alumni Choice Award.

**Year 9 Camp**

**Basic Information**

Students from **Keenan** and **Laurence** will be attending the first camp from the 3rd to the 5th of November.

Students from **O’Sullivan** and **Prendiville** will be on the second camp from the 10th to the 12th of November.

Both camps run from Wednesday morning to Friday afternoon.

Students are to assemble at the gym on the Wednesday morning of their camp at 6:30am.

Students will need to be picked up from school by 6:15pm on the Friday afternoon of their camp.

Student drop-off and collection arrangements for the two camps are as follows:

**Wednesday morning.**

The May Street car park will only be available for drop offs. Please then move out of the school grounds and park on the surrounding roads if you wish to stay. The students will meet in the gym at 6:30am and then will be directed to the buses. There will be a large number of staff, students and all their camping equipment in the area so it would be appreciated if parents could drop their students at the car park and then leave so that there is not too much congestion.

**Friday afternoon.**

The buses will be returning from camp at approximately 5.45 – 6.15pm. The May, Belham and Young Street car parks will be available for parents who are collecting their students. Please do not park in the bus bays. Staff will wait with your child until they are picked up so please don’t be late as this is an extremely undesirable situation.

More information can be found on the College website: **News and Events – Events – Camps – Year 9.**

Thank you for your cooperation with this matter.

**Year 9 Camp Weeks**

I hope that all students are prepared for the upcoming Year 9 Camps. To those students who remain at school - your timetable will be modified and most Year 9 classes will be merged. It is important that you are aware of the changes and are prepared for all of your classes. A modified timetable will be given to you. Please make sure this remains with you at school as it is difficult to reprint single timetables.

Mr John Laurito, Deputy Principal/Dean of Year 9
