From the Principal
Date: 27th January 2011

Welcome back TO ALL STUDENTS

A very warm welcome to our students and community as we enter into the 2011 school year. I hope you have all had a good break and are refreshed for the year ahead. Our office opened on Monday 10th January to prepare for students’ first day back at school which is February 2nd for Years 7’s and Year 11 Peer Support Leaders, and February 3rd for Years 8-12. This weekend our Deputy Principals will be working with our school leaders and Peer Support Leaders as our students prepare for their new roles.

A special welcome to all our new families. As we journey together as a community, may all that you hope for come to fruition.

This is our weekly NEWSLETTER and the only paper copy you will receive this year. The newsletter is uploaded onto our website - www.chisholm.wa.edu.au on Friday of each week. If you wish to receive a personal electronic copy and have not already registered, please do this immediately, as per instructions on page 3 of this Newsletter, so that you keep yourself well informed of matters arising in and about our school.

COLLEGE STRATEGIC PLAN—Last year we commenced the first year of a 5 year new Strategic Plan entitled ‘A Real Education: not just a qualification.’ This will end with our Silver Jubilee in 2014. In 2011, our theme is ABBA, FATHER, PROTECTOR—which is epitomised by the shield in our crest. The image on the banner of our newsletter, will be used for the whole year and is on the front cover of Student and Parent Handbooks.

REMINDER ABOUT UNIFORMS - Once again we would like to remind you—start well and it will carry into the full year. For girls, all skirts and dresses should be mid-knee length. Please ensure that your son/daughter returns to school complying with the hair standard of the college otherwise parents will be contacted to take their child home.

CHISHOLM CARE - Ms T Rodrigues, Deputy Principal - Campus Ministry
The College’s Christian Service-Learning programme, Chisholm Care continues for our senior students; returns for our Years 8-10 students and begins for our Year 7 students!

In the upcoming weeks, Service Diaries will be issued and information disseminated which needs the attention of both students and parents/guardians alike. As you are aware, timely completion of Chisholm Care is a graduation requirement of the College and please address any queries to myself during office hours.

“Be the change you wish to see in the world” – Mahatma Gandhi

In addition, there have been a number of our senior students making wise use of their holidays to attend to their Chisholm Care requirements. Here is an excerpt from an agency regarding the ‘change’ several of our Year 11 boys have made to the lives of others.

“On Monday the 20th December I had the pleasure of meeting 4 students from your school. Mr Adam Preston, Mr Daniel D’Boss, Mr Ryan Dhue and Mr Rod Torres. These four young men had offered there time to perform at a day centre for adults with disabilities. The boys were approached to play songs for the clients at their Christmas party. The boys happily gave up their time and put on a magnificent performance for 2 hours.

It is wonderful to see young people with such a strong sense of community involvement. The musical skills displayed by these boys showcased what they have learnt at school. They were professional and enthusiastic in all there dealings with us. Their ability to adapt their song list to include songs they had never played before, the use and ability to play diverse instruments and interact with people of varying ages and with multiple disabilities was an absolute credit to themselves and to the school.

These young men showed kindness and maturity not often seen. The boys engaged the clients with their vibrant presence and amazing talent and interacted positively with the clients, overwhelming the staff whom work here. All the staff and the clients felt the event was a great success and have not stopped discussing how proud the school and parents of these boys must feel to have guided and supported such caring and talented young men. All the staff and the clients feel the teaching staff at Chisholm should be made aware of this act of generosity and we are all extremely grateful for the experience we have shared with these young men.

Sincere regards

Our Canteen Staff work hard to provide nutritional food for our children. We would earnestly request you to consider helping out on our weekly roster. It may be only once a month!

Please ring Wendy Pickard (9208 2565) if you are able to help. She will be delighted to hear from you. Thank you.

You will note an increase in our prices this year. Unfortunately this has been necessary due to the increase in prices by our suppliers.
