HARMONY DAY – FRIDAY 1 APRIL—The continuing message for Harmony Day 2011 is that Everyone Belongs, which means all Australians are a welcome part of the country, regardless of their background. It is also about community participation, inclusiveness and respect – celebrating the different cultures that make Australia a great place to live. The College celebrates Harmony Day on Friday 1 April. All students are encouraged to wear their cultural dress to school and to participate in the “Best Cultural Dress” competition. Students are asked to pay $5.00 for the privilege of not wearing their school uniform on this day. The money raised will go towards the various mission agencies which the school supports.

YEAR 8 RETREAT - This was on Thursday 17 March, St Patrick’s Day. The theme was “Community with Christ” and the following are students’ thoughts on the retreat:

...The Pastoral Care Retreat was a great experience to have fun and to learn about Jesus...
(Danilo Petrovic)

...I also liked when we had to write a prayer to Jesus asking for his help and guidance in our life…(Elisaveta Cuculoska)

...The retreat was very delightful because there were many activities that allowed all of us to join in and be a community...
(Nicole Cruz)

......... with the help of the Catholic Youth Ministry and PCAs, they made it a day to remember.  With games and stories we learnt to accept people for who they are… (Danica Tran)

...... The part I liked best was when everyone had to write nice things about each other .....warm fuzzies made me feel good as a person.... (Luke Ameduri)

...The Catholic Youth Ministry did a very good job... (Daniel Abbonizio)  Mrs A Chew, Deputy Principal/Dean of Year 8

**The Cybersafety Help Button**—The Cybersafety Help Button is a new Australian Government initiative designed to keep children and families safe online. It is an online resource that gives children and young people easy access to cybersafety help and information.

The button is a free application available from the website of the [Department of Broadband, Communications and the Digital Economy](https://www.dcom.gov.au). Once downloaded, it sits on the computer desktop or within the taskbar. When the button is clicked, users are taken directly to a web page where they can **talk, report or learn** about cybersafety issues.

The talk function gives a link to Kids Helpline. Users who are worried by cyberbullying or offensive online behaviour or content can phone or chat online to a professional counsellor.

The report function offers direct links to pages on social networking sites such as Facebook, MySpace and Twitter that have site-specific cybersafety information. There are also links for reporting scams, fraud, inappropriate websites and improper behaviour and for contacting the Australian Federal Police.

The learn function provides a range of cybersafety educational resources through the ACMA’s Cybersmart website and the Department’s Stay Smart Online website. Visitors to these sites can learn about cyberbullying, social networking sites, scams and frauds, password protection, viruses and malware, unwanted contact and inappropriate behaviour.

Mrs Cally Black
Chisholm took on Newman with finals in sight!  
This week our students had done their research and went into their games against Newman College knowing just how crucial the results were, if they were wanting to play in the NAS finals next week. The Year 9 Cricket boys knew they required a win to secure a top-two spot on the NAS Summer ladder, and that they achieved. A superb display of batting from Dale Fernandez (43 n.o.) ensured a good total of 2/115. Alister Clohessy took two wickets in two balls and was well supported by Jake McKay who devastated the middle order with figures of 3/21 including a hat trick! Well done boys! It was also the finals vision that led to the Year 8 Futsal girls’ first win of the season. A great team effort and impressive scoring from Mikayla Fuda and Monique Loos both with three goals each gave the girls a 7-0 victory over Newman College and guaranteed them another game next week! The Year 7 Boys and Girls Beach Volleyball teams also produced some impressive and remarkably improved sets, with the girls winning their third out of the four matches of the season, and the boys losing in a nail-biter with a score that did not reflect the level of play. Next week all the teams that finished 1st, 2nd and 3rd at varying venues, depending on their final position on the ladder. The fixtures will be posted on the College Website once they are finalised. For all the results from the week please visit the ACC website; www.accsport.asn.au The results are also published in the West Australian newspaper at various times, and on the Chisholm College website under College Sport. The following people contributed to some great sporting moments this week:  

**Teams of the week**  
- Year 10 Girls Basketball – For knowing that a win secured a final birth and then achieving just that!  
- Year 8 Girls Basketball – for putting in a remarkable effort in their fourth to beat Newman by 60 points  

**Players of the week**  
- Dale Fernandez – For scoring a very important 43 n.o. to secure his Year 9 Cricket team’s finals position  
- Jake McKay – for getting a hat trick in the all-important Year 9 Cricket positional decider against Newman College  

**Coaches of the week**  
- Sharon Jones (Year 8 Girls Basketball) – for competently leading her team to a zero-loss end to the NAS home and away season  

**Nail biter of the week**  
- Year 7 Boys Basketball – There were literally nails in mouths during the final minutes of this 27-29 loss against Newman  

Next week Chisholm College will take on a variety of schools in the finals. For all the fixtures please visit the College Sport section of the Chisholm College website, or the ACC website.  

Family and friends – please come and support our students playing finals! Good luck next week in the finals!!! Ms Belinda Suter, Head of Sport
