OPENING OF OUR NEW MULTIPURPOSE HALL AND LANGUAGE CENTRE

‘May peace be upon the College And all who work in it’

Among our many guests, staff and students, we were honoured to have with us The Hon Stephen Smith MP, Minister for Defence and Federal Member for Perth (Class of 1972) and The Most Rev Donald Sproxton, Auxiliary Bishop of Perth, (Class of 1970) for the Opening and Blessing Ceremony of our Hall and Language Centre. We thank the Australian Government for the Building Education Revolution Funding and School Pride money of $2,200,000 for our building and building refurbishment. It is a beautiful addition to our facilities and I am sure that all our visitors to the college will appreciate the new car park.

Often people ask me, as Principal of the College, what I am proudest about at Chisholm and my consistent reply is ‘our students’. Wherever we take them or have them represent us, they do us proud. I thank them for being the wonderful young people they are. Thank you to Mr Robert Marshall, Vice Principal, the main coordinator and to all staff and students who contributed to the success of this event.
At the College Board AGM on Tuesday 22nd March, we were delighted that the four Board members who re-nominated, were re-elected for a further two years. We would like to congratulate Mr Damian Luscombe, Mr Tony Acquarola, Mr Stephen Vining and Mr Rudy Agostini. Mr Tony Monterosso was seconded on to the Board for one year. Mr Damian Luscombe was re-elected as our Chairperson and Mr Tony Acquarola as our Treasurer. The Board and indeed the college community join me in thanking Mr Andrew Fernandez for serving on the Board since 2004. We are indeed grateful for his valuable input and dedication to the work of the college during this time. Thank you Andrew! Our best wishes go with you into the future.

WELL DONE TO OUR SWIM TEAM!!
Chisholm College competed in the ACC B Division swimming carnival on Thursday March 24 at Challenge Stadium. This is the second year now that Chisholm College has competed in this division and the results are definitely on the up and up! After 8 weeks of tough training sessions with a team consisting of 120 swimmers, the overall result of 3rd was inspirational. This outstanding result is an improvement of 3 places from last year. Year 7’s competed for a separate shield as all schools were yet to incorporate Year 7’s and this year they finished in 3rd place overall.

It was an outstanding meet for the team and all the swimmers are to be congratulated on the excellent way they swam and behaved throughout the day. It is always a pleasure to attend interschool sports events with our students as they always perform to their best and their behaviour is exemplary. We are particularly proud of our Senior Girls swimmers who finished 2nd overall.

A special mention goes to Alexander Freeman in Year 7 who is now the record holder for the U/13 100m and champion for his age group on the day. Congratulations Alex! We look forward to these outstanding results for quite a few years to come. Congratulations also to Olivia Bowling in Year 9 who finished 2nd in the U/15 championship. A fabulous effort, well done.

PLACEMENTS——OVERALL RESULTS——3RD
Senior Boys—6th / Senior Girls—2nd / Overall Boys—4th / Overall Girls—2nd

Well done to all the swimmers who really did put in a fantastic effort this year. Thank you to Mr Andrew Panizza, Miss Belinda Suter, Mr Scott Sladden and Mr Kenneth Pennycuick who prepared our team. Once again thank you to all the parents who supported the team and we look forward to swimming in 2012.

Ms Natalie Kastropil

PRINCIPAL
Year 10 – Project Compassion Fundraising—Our Year 10 group have taken up the challenge of fundraising for Project Compassion this year by filling water bottles with money! I have been overwhelmed by the generosity and enthusiasm of our students as they are having a great time filling their bottles. As I write to you, they have filled 12 bottles and already donated over $1200. As you can see from the photo, there are many more bottles being filled.

Next Monday morning they have set themselves the challenge of filling new bottles with $1 coins during assembly. I would like to thank the many families who are helping out by donating their spare change to our bottle filling!

Mrs Carmen Cox, Deputy Principal/Dean of Year 10

STUDENTS AWARDS—BLAZER EMBROIDERY—Congratulations to the students who were presented with Honours, Half Colour and Full Colour Awards this week. Students who receive these awards will be able to have the emblem and/or honour placed on their blazer during the school holidays. The students are to deliver their blazers, the authorisation form and the correct payment to the Uniform Shop on Tuesday, 12 April between 8am-8.25am. Blazers will be available for pick up from the Uniform Shop on Thursday, 5 May between 8am-8.25am.

Students who have previously received an Honour or Colour, and have not had the embroidery work completed, may also present DRY CLEANED, LABELLED blazers with the authorisation letter and correct money to the Uniform Shop staff who will organise for the embroidery to be done. For any queries about this process—please contact Mrs C Cox, Deputy Principal.

Quiz Night - Can you support this event?
We will be hosting a Quiz Night on Friday 1 July. More information and tickets will be available soon. We are seeking assistance from everyone for the donation of prizes for the Quiz Night. If you own a business, or know someone who does, would you kindly contact us to show your support. Email: alumni@chisholm.wa.edu.au or Mrs Chew (9208 2500) a.chew@chisholmcc.wa.edu.au with your details and a member from the Chisholm Alumni Committee will contact you to discuss your generous contribution.

Steven Ostaszewsky, Chisholm Alumni

MedEntry
The premier UMAT preparation program

Upper school UMAT Preparation—MedEntry (a government accredited Registered Training Educational Institution) provides UMAT preparation. UMAT is a prerequisite for entry into most health science courses such as medicine.

MedEntry was made possible by a generous grant by the Foundation for Young Australians, a non-profit organisation committed to enhancing youth participation and creating opportunities for the development of young people. To this end, MedEntry offers several discounts and scholarships. You can access their website at: www.MedEntry.edu.au

Mrs Cally Black, Head of Information Resource Centre

YEAR 7 & 8 MATHEMATICS PROBLEM OF THE WEEK
Read the clues to find the mystery number:
I am between 501 and 599, I am not an even number, I am divisible by 5 and 9.

Last week’s answer: Karen originally had $20. Last week’s winner Hayden Cotton 7 O’Sullivan 2.
Come to the Mathematics Office to collect your prize.

YEAR 9 AND 10 MATHEMATICS PROBLEM OF THE WEEK
“You can have the painting framed,” said the dealer in the art gallery, “for $420, or in another frame of only half the value of this for $360.”
What was the cost of the painting unframed?

CONGRATULATIONS Emma Regolini Year 9 for qualifying in the 200m backstroke and will be attending the Australian Age Championships in Adelaide in April. Well done Emma!

INFANT JESUS Parish BUSY BEE—SATURDAY 9 APRIL—9AM - 3PM
All hands on deck for our bi-annual busy bee, this time to get our parish looking brilliant for the great celebrations at Easter! Luscious morning tea, sausage sizzle lunch and cold drinks provided for the workers! Mrs Angela Youens, Parish Manager.

This service can contribute to Chisholm Care (‘community’ hours for Year 9 and ‘other’ hours for students in the remaining year levels). Ms Taniya Rodrigues, Deputy Principal, Campus Ministry

RIO TINTO EARTH ASSIST - SCHOOL HOLIDAY PROGRAM—18th April to 4th May
For students wishing to complete community service hours in the environment or just make a difference.

Go to www.earthassist.org.au  Flyer attached.

Note from Ms Taniya Rodrigues, Deputy Principal, Campus Ministry—CHISHOLM CARE
Senior students wishing to accumulate service hours (particularly Year 12 students whose programme is almost finished), are invited to join Rio Tinto Earth Assist with their holiday programme.
MOTHER/DAUGHTER BREAKFAST - MONDAY MAY 9—7.45am – 9.40am

Letters of Invitation were distributed to Year 12 Girls this week. This breakfast will be held at the College in the new Hall. Once again, I have invited Ms Helen Frost whose presentation on a healthy approach to nutrition had last year’s audience captivated and full of laughter. So successful was her presentation that we simply had to invite her again. If you don’t see Helen’s presentation you will have missed an experience.

Those wishing to attend are requested to fill in the Reply Slip attached to the letter and return it as soon as possible to Student Reception clearly marked Mother/Daughter breakfast. The total cost of the Function is $25 per Mother/Daughter couple.

As places for the breakfast will be limited, they will be allocated on a first come first served basis. Girls may invite an older sister, aunt, etc if their mother is unable to attend. The last day for returns is Monday 11 April, the last Monday this term. As final numbers are needed for catering purposes that day, you must have booked your ticket by then or you will miss out.

Looking forward to seeing many of you there.

Normal Day for Year 12’s not attending on May 9.

School will operate as normal for all Year 12 students not attending the Breakfast. Students will start with PCG at 8.30am as usual and attend their usual Period 1 class. The girls at the Breakfast will start class from Period 2.

Mr Robin Fox, Dean of Year 12

Ms Erin Maddison, Publicity Officer for THE WIZ is asking us to ….forget Neil Diamond—as the hottest tickets in town for 2011 are the Chisholm Catholic College’s annual production!!!! “The Wiz”

If you are wanting to see a fabulous show, full of bright costumes, wonderful singing and dancing and brilliant acting then you better book your tickets now!!! Friday and Saturday night tickets are selling fast. May 25th is Opening night, May 26th has a matinee performance at 4.15pm or Friday 27th and Saturday 28th May are your only chance to see this updated version of the much loved classic “The Wonderful Wizard of Oz”.

Get your ticket to The Wiz for $15.00! - Chisholm Alumni have secured 40 VIP Tickets!

To the Opening Night of the College Musical, The Wiz, on Wednesday 25 May.

For $15.00 (standard adult price) your package includes the show and pre-show / interval refreshments at a fabulous location overlooking the College. Contact Mrs Chew (9208 2500), or email Mrs Chew (a.chew@chisholmcc.wa.edu.au) to book your ticket. These tickets are selling quickly! Get in now!

MOCK TRIAL ROUND 2 – WINNERS! - Well done to the Mock Trial Team on their second straight win last night at the Supreme Court! We were Prosecution and alleged that the accused was the willing participant and getaway driver for an armed robbery. Our first time witnesses Stanley Kong and Georgina Due explained that they had seen the robbers running from the bank yet did not see a gun at all, despite the defendant claiming she was forced to drive the car at gunpoint. Our first time barrister Serina Luong had a well thought out cross-examination where she questioned the defendant’s version of the facts. Christopher Minus again did a solid job as Barrister 2, and the judge commented that the crosses and closing were the winning factors for our team. The accused was found guilty, and Chisholm won in a close margin of 8 points over Santa Maria College. Cassie Chu Yu Chee did an excellent job as an English-accented Court Orderly, and Coraline De Zilwa was again pivotal as Solicitor, providing direction and advice to both barristers during the trial and in the high pressured ten minutes allotted for the preparation of the closing. Thanks to Sam Cunningham (Reserve) and once again our Lawyer Coach Mr James Fielding of Minter Ellison.

Round 3 will be held in Week 2.3-2.4. Ms Clark, Politics & Law

Special Offer to Year 11 Students who are considering a career in Science or Engineering

The National Youth Science Forum (NYSF) is inviting current Year 11 Science students across Australia to apply for selection into the upcoming Science Forum to be held in both Canberra and Perth in January 2012. Successful applicants will spend two weeks at either the Australian National University, (ANU), or the University of Western Australia, (UWA), living on campus as university students. During this time, students will visit many science and engineering research facilities in and around the Canberra or Perth regions. Through these visits, students will meet a range of researchers in science and engineering and participate in the sort of activities they do every day. As well as experiencing science as a real job, students will also be encouraged to debate the hottest topics in science and engineering in open style forums. In addition, students will be guided through application processes for university entry and special scholarships that may become available, as they select their special path towards rewarding careers.

Apply on-line and through various sponsoring Rotary Clubs. Website www.nysf.edu.au

Please note that applications close on 30th May 2011.

If you are currently in Year 11 and want a career in science or engineering, you are encouraged to apply. You don’t have to be the top achieving student in science to apply. The selection panel will also look very favorably at a good “well-rounded” student who possesses a range of personal skills, including other involvements outside of the school.

Please note that the NYSF and Rotary are committed to ensure that no student will be disadvantaged for financial reasons.

Contact Mr Nick Renzullo in the Science Department for more information.
Chisholm stepped up for the NAS Summer finals!

Chisholm College participated in a staggering 16 grand finals this week and also competed in another 16 finals playing off for 3rd and 4th place. The Chisholm fighting spirit really came alive, with students producing skills worthy of competition far beyond their years.

The first premiership of the NAS Summer season was awarded to the Senior Girls Futsal team, who finished the season unbeaten and were awarded their premiership plaque without having to take the field, as a result of a forfeit. Well done to these girls for finishing in such a strong position.

The second premiership also went to the Senior Girls, but this time in basketball. These girls played every game of the season without defeat, showing great consistency and sportsmanship each game, ensuring that they maintained a high level of participation and skill level despite vast score differences in most games. We wish these girls luck in the Inter-zone Finals in April!

The Year 9 Girls Tennis team were also successful in their Grand Final, beating a very strong John XXIII team in a nail-biting finish! The scores were all level at the finish, with both teams not only winning the same number of sets, but also the same number of games! As per the NAS rules, Chisholm College were awarded the premiership plaque as they were the team who finished higher on the ladder at the conclusion of season, well done girls… phew!

The Year 10 Girls Tennis team was also victorious, defeating a previously unbeaten Sacred Heart College! The girls brought something a little bit extra to the courts this time, beating the opposition 3 sets to 1. Congratulations on this achievement, girls!

Continuing our strong stand in girls sport, the Year 8 girls also produced some brilliant skills in their Basketball Grand Final, defeating John XXIII College convincingly. The girls never looked nervous and never looked back once that first basket was scored. They maintained their tenacity and fighting spirit right through until the final siren. A great game girls, and a great representation of Chisholm College.

It wasn’t just the girls who got to have all the fun this week, as the Year 10 boys won Cricket, Tennis and Touch Rugby premierships this week also. The cricket boys went into the match confident, but also with the knowledge that Newman College had some very reputable players. With this in mind, the boys ensured they maintained concentration out in the field for the duration of the match, and displayed some consistent batting to ensure they had the runs on the board to win the match. A solid season boys, well done!

The Tennis boys were without their coach for their Grand Final as he was traveling with the girls who were also playing in a Grand Final, but this didn’t deter them, winning in straight sets against Sacred Heart College. Well done on your unbeaten premiership this NAS Summer season boys!

The Year 10 Boys Touch Rugby team were also unbeaten this season including their very convincing 6-2 win over Servite College in the Grand Final this week. Led by a very experienced and committed coach, Mr Lang, the boys produced some great plays setting up many scoring opportunities. These boys displayed admirable sportsmanship and represented Chisholm College impeccably. Well done on a fantastic season boys!

A big congratulations and thank you to all the coaches who put in so much time and effort to this NAS Summer season, the teams could not have enjoyed the competition without you. Thank you also to all the players who represented the College meticulously, well done. Thank you also to the parents and friends who supported our teams each week.

We wish our Senior Girls basketball team good luck, as they have now qualified to play in the Inter-zone Final, representing Chisholm College and the Northern and Associated Schools.

We now look forward to NAS WINTER! The trials for the NAS Winter sports will be advertised by the coaches over the coming weeks, so keep your eyes and ears open for details! Good luck with the trials!

For all the results from the week please visit the ACC website; www.accsport.asn.au The results are also published in the West Australian newspaper at various times, and on the Chisholm College website under College Sport.  Ms Belinda Suter, Head of Sport
