PARENT GROUP MEETING

Tuesday 25th May - 7.30pm

In the Staff Room.

I urge you all to keep this date free in your diary, and come along to this meeting. Many of the present members have children who will be leaving at the end of this year and if no new parents join, their fundraising efforts will not be able to continue. New student seating, air conditioned areas and air conditioning have been supplied for students this year due to the Parent Group’s efforts and it would be shame if this parental support did not continue.

STUDENT SUCCESS

James Pettit - Year 10 with a portrait of Caroline Chisholm

I am very pleased to inform you that one of our students has been selected from 98 students throughout the state to become one of this year’s Sir Charles Court Young Leaders.

Congratulations to James Pettit (Year 10) who was one of just 30 students chosen for this honour. All of the 98 students were nominated by their schools, were drawn from all educational sectors and reflected the cultural richness and geographical diversity of Western Australian Society. All of the students nominated had high academic standards and an impressive range of talents and involvement in their community.

MOTHERS’ DAY MASS

A huge thank you to the group of mothers, grandmothers and even some fathers who came to this special mass for the community last Friday. It was a great turn-out in spite of the weather. One highlight was the song “No Charge” which brought a tear to many of the mother’s eyes. Many thanks to the Liturgy Committee who were exceptional in their organisation of the mass.
